THE TRUTH ABOUT SOCIAL and KIDNEY TROUBLE

plexion that persists in spite of diet and careful living, or where there is Food often does people with kidney

Food often does people with kidney disease very little good.

Instead of storing in the system the albumen, starches and sugars that our food releases the inflamed kidneys deliect them, and tests disclose them in the eliminations unused. The patient grows weaker and weaker, and as the kidneys are not sensitive there is usually no pain, and there appears to be no cause for the continued weakness. In such cases a test for albumen may disclose a strong percentage of the strength of the food in the eliminations unused, but, as albumen cannot be seen and is only disclosed through chemical tests, the patient, unless he is in the hands of a physician, often has no line on his difficulty, and thousands of such cases grow unwittingly into the supposed chronic, incurable stage.

of King William county. The wedding will take place on September 7th.

Jones—Christian.

The marriage of Rev. Carter Helm Jones, D. D., pastor of the First Baptist Church, of Lynchburg, and Mrs. Lizzle Christian, took place yesterday afternoon at 4 o'clock at the residence of Mr. Camillus Christian, on Court Street, in Lynchburg. The ceremony was performed by Rev. J. William Jones, D. D., of Richmond, father of the groom, assisted by Rev. T. Ashby Jones, D. D., of Colimbus, Ga., and Rev. Howard Lee Jones, D.D., pastor of Citadel Square Baptist Church, Charleston, S. C.

Although it was strictly a home wedding, with only the intimate relatives of the contracting parties present, the incident was nevertheless the subject of an unusual degree of interest among Lynchburg people. Mrs. Christian from her girlhood until now, has been prominent and popular in local social circles, where she is much beloved and admired for the many graces of a very charming personality. She is the daughter of the late Major Edward S. Hutter, and Mrs. Nannie Langhonne Hutter, and is connected with a number of Virginia's oldest families. Both in Lynchburg and throughout the Stream of Chicken of the community, when a high place in the affection of the community.

tests, the patient, unless he is in the hands of a physician, often has no line on his difficulty, and thousands of such cases grow unwittingly into the supposed chronic, incurable stage. In these cases Fulton's Renal Compound acts definitely, but quite slowly, for the inflammation is usually of considerable standing and permanence. As in the other cases of inflammation of the kidneys Medical Works have nothing but diet and symptomatic treatment, both of which have proven futile in these chronic cases. As Fulton's Renal Compound reduces the inflammation, the albumen will be found to be gradually decreasing and recovery slow but definite in about \$7 per cent. of all cases, Literature mailed free.
